Hello Aloma Families—and Aloma Preschool Families—Fall is here and our PUMPKIN PATCH will be filling up soon!!! Our patch brings us so many opportunities---more fellowship time with people we already know, spending time meeting people at our own church who we do not know yet, and of course, meeting new friends in our community. What a great time to invite new friends to Aloma!! I encourage you to work a few shifts in the patch. I promise your family will have a wonderful time and in turn you're helping to support children's ministry.

In His Service,

*Kim Brossia*, Director of Children's Ministries
